## The School

Burak Bora Anatolian, founded in 1989, is one of the top selective state high schools in Turkey.

The school consists of a main building, a sports hall with a capacity

of 500, a conference hall with a capacity of 300, and a dining hall. Our school staff is currently comprised of 52 teachers, 2 government officials and 6 assistant personnels.

## Student Profile

Burak Bora Anatolian enrolls students who have scored within the top 2% of test takers in the highly competitive national examination test, TEOG.

- 95% of students who take the YGS-LYS exam tests are eligible for student placement.
- A majority of our students, after graduation, go on to pursue Medical and Engineering degrees.

# International Projects

eTwinning offers a platform for staff (teachers, head teachers, librarians, etc.), working in a school in one of the European countries involved, to communicate, collaborate, develop projects, share and, in short, feel and be part of the most exciting learning community in Europe.

Lifelong  
Learning  
Programme

The Comenius programme is a European Union educational project. It concerns school-level education, and is part of the EU's Lifelong Learning Programme 2007–2013. It aims "to help young people and educational staff better understand the range of European cultures, languages and values.

## Our Vision

Our vision is to educate fully equipped students, utilising the information and technology of the modern era and take our place among the well respected and numbered educational institutions in Turkey.

## Our Mission

The mission of Burak Bora Anatolian is to train, in the light of Atatürk's Principles and the Turkish National Curriculum, our students as individuals who respect human rights, love their country and nation, contribute to peace and welfare on the national and international levels and take the positive sciences as guides.
